

Tei-Fu Oil

5 mL, Essential oil blend, Stock No. 1618-7

Tei-Fu Oil contains a special blend of essential oils claimed to be a Chinese family secret dating back over 1,000 years.

Tei-Fu Oil contains camphor, menthol, and wintergreen — known for their stimulating scents — in a base of safflower. Safflower oil has long been used in China for relieving inflammation.

Did you know?

Tei-Fu Oil has numerous applications and has been considered by many to be an important ingredient in herbal first-aid kits.

NSP Advantage

Essential oils skin conditioner. 5 mL.

Ingredients: Safflower (*Carthamus tinctorius*) seed oil, L-menthol, eucalyptus (*Eucalyptus globulus*) oil, DL-camphor, lavender (*Lavandula officinalis*) oil, wintergreen (*Gualtheria procumbens*) oil, clove (*Syzygium aromaticum*) oil.

Recommendation: One to four drops.

CAUTION: Contains wintergreen oil. Avoid eye contact.
